Glenn Christiansen - Agent

Glenn was raised in a small rural community of Duchess, outside of Brooks, Alberta. From his birth until his early 20s he lived, learned, played, and worked in this area. He completed his schooling at Duchess High School, graduating as valedictorian, then moved on to excel at the University of Lethbridge, graduating with a Bachelor of Management degree. This is where he met his beautiful wife Amy. After meeting Amy, his life started to change... As a couple, they moved to the Olds area to begin their careers.

Glenn who has always been great at meeting and chatting with people, soon developed a strong network of people in this great community while selling radio advertising. As life evolves and changes, Glenn and Amy raised 2 beautiful and talented children (Grace, who is 7, and Connor who is 5). He and his family enjoy camping during the summer, and spend as much time together doing family events. Glenn found himself at a desk talking automobiles for a local dealership in Olds. Now after 10 fulfilling years there, Glenn is looking at another challenge – still meeting and enjoying people, but now selling real estate in this same amazing area to the same amazing network of folks.
